

July '16 Wellness Letter

Dear Patients and Friends,

I am excited to share with you that as of July 1, 2016, Port City Chiropractic, P.C. has expanded the services we offer by creating a new branch of our company called: **Lifestyle Wellness**.

This new company will allow us to provide a broader range of services offered by the **Shaklee** family of products which include: Nutrition, Healthy Home and Personal Care Products.

We chose **Shaklee**, a company started by Dr. Shaklee (a Doctor of Chiropractic) in 1956 because we were looking for nutritional products to offer our patients that were researched-based and leading the way in health preservation and anti-aging. Too many people today are experiencing poor health and disease, many of which are preventable, but due to poor lifestyle choices are not reaching their true potential. Hence, our new company name **Lifestyle Wellness**.

In the near future, we will be providing you with additional information on the benefits of this new partnership but here are just a few:

- ◆ Researched-based nutritional supplements for an extensive list of health conditions.
- ◆ Proven Weight Loss strategies.
- ◆ Sports nutrition.
- ◆ Shaklee supplements are tested for over 350 contaminants and 320 pesticides [USP standards require only 80].
- ◆ Shaklee conducts 100,000 tests/year to ensure the greatest purity and potency possible.
- ◆ Cutting edge delivery systems to allow optimal absorption.
- ◆ **30-day money back guarantee** ensuring your complete satisfaction with these products.
- ◆ Order on-line for convenient direct shipping to your door. [If you do not have a computer we can assist you as well].
- ◆ Options to receive discounts through membership and auto-ship.
- ◆ Family and pet safe cleaning products for your home and office.
- ◆ Natural personal care products.

My family and I started using **Shaklee** nutritional supplements 5 months ago to ensure these products performed as stated. I was amazed at the changes we have experienced. We have incorporated **Shaklee** all natural cleaning products into our home and our office as well.

Make it a great day!
